Fachbereich 20
Informatik
Herzlich Willkommen am Fachbereich Informatik der TU Darmstadt!

Welcome to the Department of Computer Science of TU Darmstadt!
### TU Darmstadt in Numbers

- Founded as Technische Hochschule in 1877
- **25,889** students
- **312** faculty members
- **2,560** scientific and teaching staff
- **1,870** administrative staff
- **13** departments
- **5** study areas
- **111** degree programs
- **5** campus parts in Darmstadt
- **164** buildings

As of WiSe 2018/19
Department of Computer Science in Numbers

> 3,000 students
~ 30 faculty members
~ 300 scientific and teaching staff
~ 50 administrative staff
~ 30M€ budget (state and third-party funds)

10 degree programs
9 CS-related degree programs

as of WiSe 2017/18
Focus Areas in Research

Computational Engineering and Robotics
Data Science
Cybersecurity
Massively Parallel Software Systems
Networks and Distributed Systems
Visual Computing
Research Centers etc.
Outstanding Ranking in Research and Funding

Top research rankings of the CS department

- No. 1 in Germany regarding high-profile publications
- No. 2 in Germany regarding excellent researchers (h>40)

... as well as for third-party funding

- Third-party funds > 200% state funds
  (average at TU Darmstadt : ~50%)
- No. 1 in Computer Science in the funding ranking of DFG

Excellent Research

1 ERC Advanced Grant (2013 – 18)
1 ERC Proof Concept Grant (2019 – 20)
1 DFG Excellency Graduate School
2 DFG Collaborative Research Centres
1 DFG Research Training Group
1 National Research Centre
1 LOEWE Centre
1 LOEWE Focus

as of 03/2020
Broad, Interdisciplinary Study Offerings

2 standard degree programs (B.Sc. / M.Sc.)

5 specialized Masters programs

3 programs for teacher training
   (B.Ed. / M.Ed. / Lehramt an Gymnasien)

9 CS-related study programs

Stand 2019

- Autonome Systeme
- Distributed Software Systems (engl.)
- IT-Sicherheit

Bachelor: Joint Bachelor of Arts
Bachelor and Master of Science:
- Computational Engineering
- Informationssystemtechnik
- Wirtschaftsinformatik
- Cognitive Science ab WS 19/20
We are here to help!

Introductory week of the Fachschaft Mentoring system for B.Sc. students
Study counseling services
and more
Excellent Networks

Exchange programs at the department level

~ 50 European cooperation partners
~ 40 non-European cooperation partners
05 double degree programs (Master)

as of 2019

Fraunhofer Institute for Computer Graphics Research
Fraunhofer Institute for Secure Information Technology
Max-Planck-Institute for Intelligent Systems Tübingen
Deutsche Bahn AG, Intel Corporation, SAP AG, HochTief, ...
Guten Start ins Studium am Fachbereich Informatik!

Have a good start with your studies at the Department of Computer Science!
